TruBalance Lite Technology

Real hardwood boards. Engineered for affordability.

- Real wood over a locally sourced SPF core layer
- Thickness: 9/16", suitable for 1/2" installations
- Stable 3-ply construction with 3/32" wear layer

Mirage TruBalance Lite: Meets your needs for a 1/2" installation

- Micro-V joint on all four sides of the board, prevents dust and dirt buildup.
- Each box contains assorted lengths for great look and quick installation.
- Flexible installation.
- Designed and manufactured by a wood specialist.
- An 18-gauge fastener is required for all nail or staple installations.

*Cashmere® is a registered trademark used under license.

A printed picture does not allow a perfect reproduction of samples. We suggest choosing your hardwood floor directly from a sizeable sample. For any other request, please contact our customer service department.
