Light Bristle Brush	56074

AD-844 MS ADHESIVE

AD-844 MS is a hybrid-polymer-based wood-flooring adhesive. It provides excellent sound-reduction and moisture-controlling properties. Therefore, it gives a superior bond as well as protecting wood flooring from moisture vapor emissions coming through concrete slabs in a single application. 3.96-gallon (15 liter) container.

Product	SKU
AD-844MS	54928

ACOUSTITECH VP (Acoustic underlayment for floated installation)

This membrane is the most appropriate for the specification in new construction or renovation. It increases the sound quality of the room by reducing the echo caused by floating floors. A roll covers 100 ft².
