## A floor with character... Heavy or light?

Heavy character

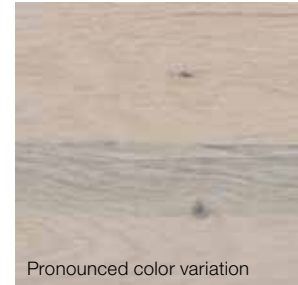

Light character

## Wood Characteristics

Flair collection floors have all the features of wood in its natural state: open and closed knots, cracks, mineral streaks, surface holes and fine surface cracks, character or milling marks, and strong color variation.

The heavy character grade has a high number of these traits, while the light character grade has most of them, but in fewer numbers for a more uniform look.

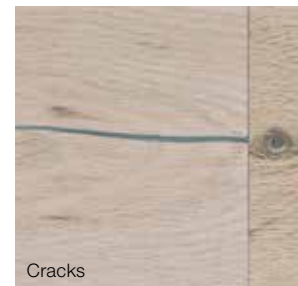

Pronounced color variation

Open and closed knots

Mineral streaks

Cracks

Small surface holes  
and fine surface cracks

Character or milling marks

## DuraMatt™\* finish

D U R A M A T T ™

### A durable and ultramatte finish.

The look of oiled hardwood floors reinvented by Mirage.

- Antimicrobial agent for a cleaner environment

- Superior resistance to stains

- Superior resistance to scratches

- Flexible, elastic finish for longer life

- Polyurethane finish **20 times more wear resistant** than most conventional oil finishes

- Silky ultramatte finish that brings out wood's natural beauty.

- The look of an oiled hardwood floor without the hassles of regular oil application and low wear resistance.

- Hypoallergenic finish that is free of volatile organic compounds (VOCs) and formaldehyde.

\* The DuraMatt finish is available on the Flair Collection only.

### 35-year Warranty

- Lifetime limited structural warranty.
- 35-year warranty on finish wear-through for residential applications.
- 3-year warranty on finish wear-through for light commercial applications.
